I WANT MY LAWYER

I am required to show my papers. You can see them through my closed window. If you feel that is insufficient, please write me a ticket under §42-2-115.

Please hold any tickets and your card up to the window. I will digitally sign tickets and e-mail to you or to scott.hernandez@state.co.us. 15 USC 7001(a)(1).

Thus I am NOT opening my window.

I will comply with clearly stated lawful orders.

FOR USE IN COLORADO ONLY

Place the other side against window so police can read it.

Do not speak at all. Not one word. Record everything.

Keep your hands where the officer can see them.

Show them your license and other requested documents through the window.

The law might require you to “surrender” documents but showing them should be enough. Refusal to do so is a simple ticket. That ticket is much less serious than what might happen if you do open your window.

You are required to sign tickets. However, federal law allows you to digitally sign documents. When the officer puts the ticket against your window, take a picture, use an app like SignEasy, and e-mail the signed copy to whatever e-mail address he or she shows you, or to State police chief Scott Hernandez at scott.hernandez@state.co.us

Police are allowed to stop you at a checkpoint, but you are not required to open your window.

Never fight or physically resist. If the officer clearly states an order, it is safer to comply.
