#### NOTICE OF APPEAL

NOTICE IS GIVEN THAT Warren Redlich, Defendant/Appellant, appeals to the 11th Judicial Circuit Court, Miami-Dade County, the order of this Court rendered January 13, 2016. The nature of the order is the Final Order, Verdict and Judgment by County Court Judge Steve Leifman finding and adjudicating Defendant/Appellant guilty of § 322.15(1), as well as non-final orders by Traffic Hearing Officers, including determinations that:

- a. Allowed private attorneys hired by the City of Coral Gables to prosecute the case contrary to the plain language of Article V, Section 17 of the Florida Constitution;
- b. Reopened the case after the initial and proper dismissal by Traffic Hearing Officer Larin;
- c. Drivers in checkpoints are required to roll down their windows and “cooperate” with police even when they have expressly invoked their rights under the 4th, 5th and 6th Amendments to the US Constitution;
- d. The checkpoint was legally conducted despite evidence that it was overbroad (including requiring the license during a “sobriety checkpoint”, using a license plate reader on every car, using a drug sniffing dog, etc.) and that the officers did not follow the checkpoint’s written guidelines (including how to handle the issue of driver licenses).
- e. Defendant failed to comply with §322.15 despite the fact that he clearly displayed and exhibited his license to the police, and that the police officers never clearly demanded the license but rather only requested it.

As the Court's order was announced orally, Defendant/Appellant is not aware of any written copy of the order which could be conformed. However, a copy of the court's on-line docket entry showing a disposition of "guilty" is attached.
